

2010 STRATEGIC PLANNING SURVEY

The ANAC Board of Directors is in the process of reviewing and reformulating our strategic plan. The plan is designed to set a path for ANAC now and going into the future. This plan is put in place for you, the members, and we would like your feedback as to what you would like to see from ANAC. If you could take a few minutes of your time to answer these questions, you will be helping the Board Members tremendously to build something for your future.

The first 50 fully completed surveys received by the deadline of August 31, 2010 will be entered in a draw for an overnight (double occupancy) stay at the Crowne Plaza Fallsview, Niagara Falls, Ontario. This voucher can be used for the overnight stay for the Symposium or until its expiry September 30, 2011.

This survey and the draw are open to ANAC Members ONLY! (Honourary Life Members, Life Members & Regular Members)
