

NIAGARA FALLS

7th Wonder of the World!

Join us for a tour of Niagara Falls and area following the ANAC Symposium, Saturday/Sunday, September 18 & 19, 2010

Saturday, Sept. 18th, join us for a musical, humour-filled dinner theatre at *Oh Canada Eh?* Meet in the main floor lobby @ 5:45 pm.

Sunday, Sept. 19th – 9:00 a.m. – meet in the main floor lobby

Following introductions and last minute instructions, with camera in hand (and maybe an umbrella) and wearing our most comfortable walking shoes we'll head off to our first stop. A tropical adventure awaits at the largest indoor aviary. You will have time to walk through a tropical rain forest, take lots of pictures and maybe even get tested on the number of birds you saw. There will be time to shop in a unique gift shop. At our next stop we'll learn about the art of glassmaking at Rossi Glass. Seating will be available during the demonstration. There will be time to shop or admire the various items made.

Driving along the scenic Niagara Parkway we'll head off to Niagara-on-the-Lake. Time for exploring, shopping, having lunch on your own and maybe even a horse and buggy ride. Whatever is your pleasure.

Heading back towards our hotel we will stop at the Floral Clock and the Botanical Gardens. If it's time for a rest there are benches where you can sit and just enjoy the view. If things go as planned we'll be back at the hotel between 4 & 5 pm.
